The Offg. Secretary to the Government of H. H.
The Maharaja of Mysore,
General and Revenue Departments.

Sir,

Plan 8/8/1911

flagP

With reference to Government Pro. No. 1249-50/M.D.-44-3-82 dated 14th November 1910, ordering the revival of the system of advancing the annual tasdik of the Benares Chatram in half yearly instalments in the months of February and August of each year, I have the honor to state that when a bill for six months tasdik for July to Dec. 1911 as sent to the Comptroller he passed the amount for five months only with the following remarks :-

" Tasdik grant for July 1911 has been disallowed since it is to be met from the Budget for 1911-12. The half yearly payments should be from July to December and January to June every year. The bills may be for created for sanction in July and January of each year in future."

prepared and

2. When in accordance with the above remarks a bill for six months from July to December 1911 was sent last month to the Comptroller, he while auditing it, has invited attention to the fact that in accordance with the Govt. Order the bills are to be presented in August and February. A copy of the Comptroller's docket is enclosed.

3. As the months of January and July are as stated by the Comptroller more appropriate for making half yearly payments, I have the honor to request that the Govt. order referred to may be accordingly modified.

I have the honor to be, Sir,
Your most obedient servant,
Muzrai Superintendent.

Docket No. 81/Mad.1, dated 17th. July 1911 from the Comptroller to Government to the Audit Superintendent in Mysore.

In enclosing the bill duly audited, has the honor to state that the order of Government No. 1243-50/I.F.344-09-2 dated 14th. November 1910 authorising the remittance of half yearly tadies in advance, mentions August and February as the months in which the bills are to be prepared and passed. But the present bill has been prepared in July alone. However the months of January and July seem to be more appropriate as the months for making multi-yearly payments in advance. And if there is no objection it is requested that steps may be taken to &&& have the Govt. Order fixing August and February modified accordingly.
